Dear Parent/Carer

New Homework Policy

In order to ensure our students reach their potential and maximise their progress at Kirkby High School, we have developed a new homework policy. The policy can be found on the school's website. However, I would like to inform you of a couple of changes:

1. Each student will receive a knowledge organiser each half-term in every subject. This will include key aspects that they are required to learn at home and teachers will test them in school. This will enable them to learn the key content required for their subjects.
2. Teachers will set homework on the website www.classcharts.com. Students will continue to record the homework set in their planners. However, they have also received a code which will enable them to log in to the website or app to check their homework. Similarly, attached to this letter are instructions for you to log in to the website or app to view the homework set for your child.

Any questions about the above or any other queries about homework, please do not hesitate to contact me on admin@kirkbyhighschool.net or telephone 0151 477 8710.

Thank you for your continued support.

Yours faithfully

Mrs A Dobson
Deputy Headteacher
