Dear Parent/Carer

To maintain the high standards in our PE and dance faculty, could you please ensure that you read the following information regarding participation in lessons.

We expect **all** our students to participate in all PE and dance lessons unless your child has a diagnosed medical condition or has been advised by a doctor not to participate.

If your child is feeling ill or has a minor injury, the expectation is that they still bring their KHS PE/dance kit. If a parental note has been provided, your child's teacher will still ask him/her to get changed and participate in some way e.g. coach, umpire, choreographer. If they do not have their kit, the expectation is they will borrow a spare to use.

Our PE and dance faculty is committed to giving your child the necessary exercise to keep him/her active and healthy.

If you have any queries or concerns then please do not hesitate to contact me at school.

Yours faithfully,

Mr P Johnson
Head of PE/dance
