Kirkby High School: Provider Access Policy

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purposes of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Premises and facilities

The school will make the sports hall, atrium and classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available projectors and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the IAG or a member of the pastoral team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Reception.
