

# **Kirkby High School:**

## **A school where everyone can be themselves**

Need someone to talk to?

Here at Kirkby High School, we have representatives from every faculty who are happy to discuss, or help with, any LGBTQ issues you may have.

We also have diversity ambassadors! They have been trained as LGBTQ peer mentors and are passionate about supporting others in Kirkby High School. Feel free to talk them if you see them around school, or at the weekly Rainbow Club.
