

Kirkby High School:

A school where everyone can be themselves

Need someone to talk to?

Here at Kirkby High School, we have representatives from every department who are happy to discuss, or help with, any LGBTQ issues and questions you may have.

We also have a 'Rainbow Club' that takes place once a week in the English department. The 'Rainbow Club' is a place where students can : ask questions; meet other like-minded students; and receive advice and guidance from staff and students who are trained to help you.

Kirkby High School Faculty representatives:

Mrs Coz: Technology

Miss Cowley: Creative Arts

Mr Greenbank: English

Mr Johnson: P.E.

Miss Nicholson: Science
