Tuesday, 30 June 2020

Dear Parent/ Carer,

As always, I hope that this letter finds you and your families safe and well. Thank you for supporting your child with their schoolwork and ensuring that they continue to complete it to the best of their ability at this challenging time.

As the situation continues to evolve, we must also adapt our approach at school and continue to provide challenging work in order to progress our students' learning. Over the coming weeks, your child will complete an extended task, and teachers will provide personalised feedback on the work produced.

At Kirkby High School, we are continuing to explore different approaches to ensure that we can best support our students whilst they learn at home. **With this in mind, as of Tuesday 30th June, students will be required to submit all of their work to their class teachers via Class Charts.** I appreciate your support with this.

Finally, I want to reassure all of our families and students that we are working tirelessly behind the scenes and preparing for the eventual return to school. Please continue to support and challenge them to work to the best of their ability, and when we do eventually return, we will support you and your child every step of the way. If you would like to contact school, please email admin@kirkbyhighschool.net and we will get back in touch with you.

Yours faithfully,

Mr. S Durrant
Assistant headteacher
