Dear Parent/Carer

I hope you are keeping well. I am pleased to let you know that despite the challenges we are all currently facing, the students are settling back into school very well.

Communication between school and home is more important than ever and because of that, we are launching a brand new **School App from Parentapps**. Our new App is available for both Apple and Android devices and is **FREE** to download.

## How we will use the App:

- Send targeted messages via push notifications so you are not bombarded with messages that are not relevant
- Provide instant access to term dates, event information, newsletters, social media, school website and much more
- View and submit consent forms
- You can invite additional family members, ensuring the right people have access to important information

## Reassurance

- The App is fully secure and GDPR compliant and in order to access it, you will need to be invited via email or SMS message
- Shortly you will receive an invitation from Parentapps with further instructions on how to download and access the App

## Competition

- **Download our App between Wednesday 16<sup>th</sup> September and Monday 21<sup>st</sup> September and you will be in with a chance to win a £20 Liverpool One voucher**
- **There is a voucher for each year group and the draw will take place on Tuesday 22<sup>nd</sup> September**
- **Winners will be contacted by phone and announced on Twitter**

I look forward to seeing all parents and carers downloading the App, and I am eager to announce the winners next week.

Yours faithfully,

Mr. S Durrant  
Assistant Headteacher
