19th October 2020

Dear Parent/Carer,

I regret to inform you that I have been made aware today that a Year 7 and Year 11 student have received a positive COVID-19 test result. The Year 7 child was tested on Tuesday 13th October and school received this information today. The last day that the Year 7 child was in school was Friday 9th October. The Year 11 child was tested on Saturday 17th October and school received this information today. The last day that the Year 11 child was in school was Wednesday 14th October. I have implemented advice given from Public Health England and tracked any students that the individuals have had close contact on Friday 9th October for the year 7 student and last Monday, Tuesday and Wednesday for the Year 11 student.

All students who are being directed to self-isolate have been contacted separately. Your child is not included in this group and should continue to attend school.

If you have any specific questions about your child or the current context, please contact school via telephone or email at admin@kirkbyhighschool.net, I know that this may cause you anxiety but we are here to support you if you need us.

We are continuing to follow the safety measures already in place, which include:

- Teaching students in their 'bubbles' of year groups
- Ensuring students stay within their 'bubbles' of year groups during breaks and lunchtimes
- All students have their own dedicated year group toilets which are thoroughly cleaned throughout the day
- Encouraging physical distancing wherever possible
- Directing students to sanitise their hands on arrival and continue to wash/sanitise their hands regularly throughout the day
- Ensuring that there is an enhanced cleaning schedule in place throughout the school day
- Providing students with equipment
- Implementing staggered breaks, lunchtimes and finishing times

Yours faithfully

Mrs R Conefrey
Headteacher
