Dear Parent/Carer,

I regret to inform you that I have been made aware today that 2 students from different year groups and therefore different bubbles have each received a positive COVID-19 test result. I have implemented advice given from Public Health England and tracked any students that the individual had close contact with on relevant days.

All students who are being directed to self-isolate have been contacted separately.

If you have any specific questions about your child or the current context, please contact school via telephone or email at admin@kirkbyhighschool.net, I know that this may cause you anxiety but we are here to support you if you need us.

We are continuing to follow the safety measures already in place, which include:

- Teaching students in their 'bubbles' of year groups
- Ensuring students stay within their 'bubbles' of year groups during breaks and lunchtimes
- All students have their own dedicated year group toilets which are thoroughly cleaned throughout the day
- Encouraging physical distancing wherever possible
- Directing students to sanitise their hands on arrival and continue to wash/sanitise their hands regularly throughout the day
- Ensuring that there is an enhanced cleaning schedule in place throughout the school day
- Providing students with equipment
- Implementing staggered breaks, lunchtimes and finishing times
- Ensuring that staff follow the government guidance on social distancing

Kind Regards,

Mrs R Conefrey
Headteacher
