23rd November 2020

Dear Parent/Carer,

I regret to inform you that I have been made aware today that a Year 7 student has received a positive COVID-19 test result. The child was tested on Sunday 22nd November and school received this information today. The last day that the child was in school was Thursday 19th November. I have implemented advice given from Public Health England and tracked any students that the individual had close contact with last week, on Thursday.

All students who are being directed to self-isolate have been contacted separately. Your child is not included in this group and should continue to attend school.

If you have any specific questions about your child or the current context, please contact school via telephone or email at admin@kirkbyhighschool.net, I know that this may cause you anxiety but we are here to support you if you need us.

We are continuing to follow the safety measures already in place, which include:

- Teaching students in their 'bubbles' of year groups
- Ensuring students stay within their 'bubbles' of year groups during breaks and lunchtimes
- All students have their own dedicated year group toilets which are thoroughly cleaned throughout the day
- Encouraging physical distancing wherever possible
- Directing students to sanitise their hands on arrival and continue to wash/sanitise their hands regularly throughout the day
- Ensuring that there is an enhanced cleaning schedule in place throughout the school day
- Providing students with equipment
- Implementing staggered breaks, lunchtimes and finishing times

Kind Regards,

Mrs R Conefrey
Headteacher
