Lateral Flow Testing Information

If you have consented to your child having three lateral flow Covid-19 tests in school and then take part in home testing, please read the following information carefully.

In order to organise lateral flow testing, we are inviting students to arrive in school for the first test at a specific time. We have sorted students alphabetically, by surname. In the table below you will see the time your child has been given to arrive for their first test.

- Year 11 will be tested on Monday 8th between 9am and 11am
- Year 10 will be tested on Monday 8th between 12pm and 2pm
- Year 9 will be tested on Tuesday 9th between 9am and 11am
- Year 8 will be tested on Tuesday 9th between 12pm and 2pm
- Year 7 will be tested on Wednesday 10th between 9am and 11am

Surname	Testing Times AM	Testing Times PM
A to F	9am to 9.30am	12pm to 12.30pm
G to L	9.30am to 10am	12.30pm to 1pm
M to S	10am to 10.30am	1pm to 1.30pm
T to Z	10.30am to 11am	1.30pm to 2pm

Test One

A number of KHS school staff have been trained to administer the lateral flow tests and in order to complete the process as swiftly as possible, we are also sourcing trained testers from an external agency. Once students are tested, they will be sent home and you will only be contacted if they test positive.

Test Two and Three

Test two and three will be completed in school after the full return of all students between 11th and the 18th of March. Further information will be sent to you prior to this and as soon as I am informed about the supply of home tests, I will get back in touch.

As ever, please get in touch by phoning school or emailing admin@kirkbyhighschool.net should you have any concerns.

Kind Regards

Mrs R Conefrey
