13<sup>th</sup> May 2021

Dear Parent/Carer

I have no doubt that you are following the news and keeping up to date with the gradual lifting of national restrictions linked with public health and safety. In school, we are taking each step very slowly and as such will continue with the current timetable for the foreseeable future. Government guidance on mask wearing at school has been announced.

From Monday 17<sup>th</sup> May:

- Students are no longer required to wear face masks in the classroom or communal areas of school
- Students are permitted to wear facemasks in communal busy areas if they wish
- Adults and visitors to school will still be expected to wear masks in communal areas
- Students are encouraged to wear masks on the Stagecoach buses to and from school
- We will continue to promote hand hygiene throughout the school day

## IMPORTANT INFORMATION

In recent times, we had a temporary arrangement to run extra buses to and from school. From Monday 17<sup>th</sup> May, we will revert to the original timetable of buses in the morning. The bus service at the end of the day remains the same as it is now.

If your child gets the bus to school, please ensure that they use the below pick up times so that they arrive punctually to school every day.
