September 2021

Dear Parent/Carer

My Name is Jo Henney and I am writing to introduce myself as the new Chair of Governors here at Kirkby High School. I feel very fortunate to have been elected as Chair and to be working with such a professional and dedicated team of staff and governors.

I would like to thank Mr Foy as outgoing Chair for all his hard work and dedication.

I have extensive skills and experience in public and private business, currently employed as Deputy Chief Executive and Chief Governance Officer at Nugent, who are a registered charity supporting vulnerable children, young people and adults across Merseyside.

The role of the governing body is to: Set the vision and strategic direction of the school; hold school leaders to account for the educational performance; and ensure financial resources are well spent. This is a challenging but hugely rewarding role but I can assure you that I am committed and highly motivated and I believe that governors, the staff and parents/carers can work together in developing young people successfully to ensure that every child can succeed and reach their full potential.

I am really looking forward to working with a school who continually strives to provide the highest standards for our whole school community.

If you would like to contact me, you can do so by contacting me through the Clerk to Governors by emailing admin@kirkbyhighschool.net

Yours faithfully

Mrs J Henney
Chair of Governors
