Dear Parent/Carer,

Uniform

As we approach the end of the first full term back in school, may I take the opportunity to thank you for ensuring that your child attends school wearing their full school uniform and is prepared to learn each day with the appropriate equipment. In preparation for the return in January, I would like to reinforce our high expectations linked to uniform.

- All students must bring a bag to school that is large enough for an A4 folder to fit inside
- All school trousers should be tailored and grey in colour
- Blazers must be brought to school and worn each day
- Skirts should be knee length

We have recognised over recent months that the length of many students' skirts is inappropriately short. Skirts should sit just above the knee as a minimum length. We would also encourage students to wear black tights.

As part of our uniform expectations, false nails, false eye lashes and piercings are not allowed in school. Students who return with any of the above will be dealt with. We want to welcome students back in January ready to learn and we would appreciate your support in ensuring that your child returns with the above high expectations to avoid a negative start to the new term.

Parentapp

A new version of our parent communication app was launched on 6th October. If you have not logged into your app since then, please follow the instructions online via this link: <https://parents.parentapps.co.uk>. If you need assistance please contact Parentapps directly on 0151 808 0093 or send them an email via support@parentapps.co.uk. If you have never received an invitation to download the app by text or email, please contact the school office as we may have incorrect contact information for you. It is very important you download the school app as this is our main source of communication and you will miss out on important information about your child and what is happening within our school.

If you have any questions, please do not hesitate to contact the school via email on admin@kirkbyhighschool.net or visit our school website for further information on our school uniform expectations.

Yours faithfully

Mr. S Durrant
Assistant Headteacher
