5th April 2022

Dear Parent/Carer

Welcome to Kirkby High School

Starting high school is a very important time for any child. Here at Kirkby High School we do everything we can to show parents and children our systems for ensuring care and achievement for our students. It is also really important that children feel settled and welcome from their first day onwards.

Kirkby High School will be providing all Year 7 students with a new school uniform free of charge. Can you therefore please complete the attached uniform order form and return by Friday 29th April.

You will receive a welcome pack in the next couple of weeks which will contain further information.

If you have any queries, please contact school by telephone 0151 477 8710 or email transition@kirkbyhighschool.net.

Yours faithfully

Mrs R Conefrey
Headteacher
