Dear Parent/ Carer,

As you are aware, our school bus service is operated by Stagecoach and is independent from school. Kirkby High School heavily subsidises the cost of the bus to keep it as affordable as possible for our families, which means we are able to keep the cost of each journey at only 50 pence.

Recently, we have had to place senior members of staff on our buses due to a small minority of students failing to meet our high expectations whilst travelling to and from school. These students have been dealt with, as the school bus service is a privilege which is available to those who are able to consistently follow our Kirkby Child Characteristics and behave appropriately.

From this half-term, members of school staff will only supervise the school bus on a reduced timetable at various points. If there are any reports made to school by Stagecoach, we will fully investigate these and deal with any students as necessary. Children who do not behave appropriately on the bus may be issued with a temporary or permanent ban.

If your child uses the school bus, can you please remind them about the behaviour expectations and inform them that if there are any incidents of poor behaviour, this privilege may be removed from them.

Yours faithfully,

Mr. McKendrick  
Deputy Headteacher
