26<sup>th</sup> September 2022

Dear Parent/Carer

I am pleased to write that the children are settling well into the new academic year. We were delighted to share our recent Ofsted inspection report last week, recognising the fantastic progress Kirkby High School has made.

This letter is regarding our school buses and the information is important for all families in case your child uses the bus now or at any point in the future.

## Key messages

- Stagecoach buses are not owned by school or run by school staff
- School has a contract with Stagecoach
- In order to support families, we subsidise the bus fares and they currently remain at 50p per journey
- Children must pay 50p for each journey
- Children must have the correct change
- Stagecoach drivers will not sell return tickets
- Stagecoach drivers will not provide students with change
- The bus routes are overleaf
- No additional stops can be added

## Behaviour

- It is not your child's right to be on the bus
- School works with Stagecoach and school leaders reserve the right to ban your child from the bus if they misbehave
- Buses have CCTV on board
- Children must not spill drinks, leave litter, vape or cause upset to others

Please discuss behaviour expectations with your child as we need children to feel safe and happy on their journey to and from school.

If your child receives a temporary or permanent ban from the bus, it is your responsibility to ensure they arrive to school on time.

To the vast majority of children who make the correct behaviour choices, well done. They make us very proud and clearly demonstrate our Kirkby Child Values.

Thank you for your support with this.

Yours faithfully

Mrs R Conefrey  
Headteacher
