

Maximising our Potential

1st July 2024

Dear Parent/Carer,

Year 9 End of Year Assessments

As we approach the end of this academic year, your child will complete an end of year assessment in each subject to help them identify their strengths and areas for development in preparation for their studies next year. In addition, we wish to provide your child with a realistic experience and embed expectations and routines for future examinations. Therefore their end of year assessments in maths and English will take place in the school's exam hall week commencing Monday 8th July. It is therefore vital that your child attends each day, on time, in order to maximise their potential in these exams.

I would like to take this opportunity to wish your child the best of luck in their end of year assessments and encourage them to revise fully in preparation for this.

If you have any questions, please do not hesitate to contact me.

Yours faithfully,

Mr P Greenhalgh
Assistant Headteacher
