

Maximising our Potential

Monday 3rd February 2025

Dear Parent / Carer,

At Kirkby High School we are committed to celebrating our students who follow our Kirkby Child values.

We are keen to build on the rewards strategy of issuing stickers and rewards by introducing new Kirkby Child badges to celebrate our students. When a student receives 25 stickers for one of our values they will be awarded a bar badge for that value to wear on their blazer. When a student receives a bar badge for each value they will be awarded a Kirkby Child badge to celebrate their outstanding commitment to our values.

Progress towards these badges will be reviewed every week with regular celebrations in our weekly assemblies. When your child is awarded a badge you will receive a notification on your Arbor app as a positive behaviour incident.

If you have any questions about this exciting new strategy please contact the school on admin@kirkbyhighschool.net and a member of staff will respond.

Yours faithfully,

Mr T Greenhalgh
Assistant Headteacher
