

Maximising our Potential

Dear Parent/carers,

Merseyside Police (Operation Prospect) are delivering a presentation to Years 9 and 10 on Friday 12th September. The theme is 'Gun and Knife Crime Education'.

The presentation that your child will receive has been created with a trauma informed, preventative lens, collaboratively with Merseyside Police's Safer Schools Coordinator and Matrix Firearms. It is informative but, at times, includes flashing lights and loud noises.

Although many of us are lucky enough not to have been affected by gun or knife crime, our school is central to our community and we invite you to join us in creating a safer future for all students. Together, we can equip students with the knowledge and tools to make informed, safe choices regarding gun and knife crime, should they ever need to.

If you have any further questions or concerns about your child watching the presentation for whatever reason, please do not hesitate to contact me.

Kind regards,

Mrs Turner
