

## Maximising our Potential

Thursday, 16 October 2025

Dear Parent/Carer,

Following a positive Year 11 Progress and Aspiration Evening, we would like to share important information regarding the upcoming Year 11 mock exams. These exams will take place from:

Monday 10th November until Wednesday 26th November

**Your child must attend every exam for the subjects that they study.**

Mock exams are a vital part of preparing students for their final GCSEs next summer. They allow students to experience exam conditions and help teachers identify gaps in knowledge so that they can support your child to maximise their potential.

How can you support your child?

To support your child during this important period, we kindly ask for your help in the following ways:

- Encourage a consistent revision routine at home
- Ensure your child gets enough sleep and maintains a healthy diet
- Talk positively about the importance of effort and resilience
- Ensure that they attend all revision sessions provided by school

It is essential that students attend school on time each day and participate fully in revision sessions. A detailed exam timetable will be provided to both students and parents nearer the time. If you have any questions, please do not hesitate to contact me.

Thank you for your continued support.

Yours faithfully,

Mr Scott Durrant  
Deputy Headteacher
