

## Attendance Film and Raffle

Dear Parents and Carers,

The **Kirkby Collaborative of Schools** is delighted to share some exciting news from across our group of schools.

Pupils from all our schools have worked together to create a short attendance film that highlights the importance of coming to school every day. The film showcases pupils' own voices, ideas and experiences, and clearly demonstrates how good attendance supports learning, friendships and future success. We are incredibly proud of all the pupils who took part in this project.

The film will be shared with all children and staff during assemblies on **Monday 19th January**. It will also be available to watch on school websites, and a link will be shared with parents via each school's social media platforms.

To celebrate the launch of the film, and to continue encouraging positive attendance habits, all schools will be running a **daily attendance raffle next week**.

### How it works:

- Every pupil who attends school on the day will be entered into that day's raffle
- One winner will be drawn each day
- There will be great prizes to be won

You really do have to be in it to win it!

We know how important the partnership between home and school is, and we thank you for your continued support in helping children attend regularly and on time. Let's work together to make next week's attendance amazing and give every pupil the best possible chance to succeed.

Thank you for your continued support. We hope your children enjoy taking part in the celebrations.

Kind regards,

**The Kirkby Collaborative of Schools**
