

Maximising our Potential

19th March 2026

Dear Parent/Carer

We are proud that the vast majority of our students live our Kirkby Child values each and every day. This includes the journey to and from school, where they are representing us in the local community, whether they walk, cycle or get the bus.

Unfortunately, we have recently received reports that a small minority of students do not show our Kirkby Child values on the school buses, where they have demonstrated unsafe, and at times, unkind behaviour towards their peers.

The journeys to and from school are an extension of our school day, and we expect our students to conduct themselves in the same manner that they would in school. We have a strong working relationship with Stagecoach, and any incidents of poor behaviour on the buses that are reported to us will be dealt with according to our school's behaviour policy, with appropriate sanctions issued. This may also include your child receiving a ban from the school bus for a set period of time.

We appreciate your support in ensuring that your child conducts themselves appropriately on the journey to and from school.

Yours faithfully

Mrs Dobson
Headteacher
