Aims and application

- 1.1 The aims of the policy are to deal with complaints and concerns:
- about a school, the academy trust ("Trust"), or any individual connected with it by following the correct policy.
 - thoroughly.
 - in an open, honest and fair manner.
- 1.2 This RLT Complaints Policy is not limited to parents or carers of children who are registered at one of the academies within the Trust. Any person, including members of the public, may make a complaint to an individual school within the Trust, or the Trust itself, about any provision of facilities or services that we provide. Part 1 of this policy outlines how parents/carers of registered children currently attending academies within the Trust can raise a concern or complaint. Concerns or complaints from other persons will be dealt with following the same process. Complaints from registered children should usually be raised by their parents/carers, but in exceptional circumstances older children may raise concerns themselves using this policy.
- 1.3 Anonymous concerns or complaints will not normally be investigated under this policy. The headteacher of a school, or executive team, will determine whether there are exceptional circumstances to justify conducting an investigation into the issues raised.
- 1.4 All staff will be made aware of this RLT Complaints Policy and are expected to review this policy regularly in order that they are familiar with our process of dealing with complaints and can be of assistance when an issue is brought to their attention.
- 1.5 In this policy:
- 'complaint' means an expression of dissatisfaction however made, about actions taken or a lack of action.
 - 'concern' means an expression of worry or doubt over an issue considered to be important, for which reassurances are sought.
 - 'meeting' and 'hearing' means an in person or virtual meeting or hearing (i.e. telephone or video conference where all parties can participate verbally), virtual meetings/hearings will only be held if all parties have access to appropriate equipment to attend and are happy to do so.
 - 'parent' means a biological parent, carer, or anyone who has parental responsibility or care for a child.
 - 'school days' excludes weekends and school holidays and periods of partial or total school closure.

- 'Trust' means the academy trust.
- 1.6 The timeframes referred to in this policy are our usual timeframes, and the school will seek to adhere to these timeframes where possible.
- 1.7 Reasonable adjustments will be made to this policy where required to ensure that all complainants can access and complete this RLT Complaints Policy. For example, providing information in alternative formats, assisting complainants in raising a formal complaint or holding meetings in accessible locations.
- 1.8 Complaints not covered by this policy:
- Safeguarding (child protection)
 - Staff grievances/disciplinary
 - Admission appeals
 - SEN/EHCP appeal routes
 - Exclusions
 - Data/FOI complaints

Key principles

- 1.9 The Trust acknowledges that raising concerns or complaints can be a difficult, emotional, and stressful time, particularly for parents and carers. We expect our staff to always be respectful and courteous when dealing with you. We also expect you to treat our staff with the same respect and courtesy. We will not accept abusive and threatening behaviour towards our staff from anybody at any time. In circumstances where this happens the Trust will take the action outlined in Part 3 of this policy.
- 1.10 The Trust expects all complainants to make reasonable attempts to seek an informal resolution. This will usually be the most effective way to swiftly resolve any concerns.
- 1.11 The Trust encourages parents and others to approach the school with any concerns and refrain from airing concerns about the school and its staff on social media sites. Posting negative comments on social media can cause damage and upset and is often counterproductive to children's education.
- 1.12 To investigate your complaint properly and fairly, we have implemented a staged approach. We anticipate that almost all complaints that arise will be resolved at Stage 1 or Stage 2, as outlined below.
- 1.13 We expect our members of staff to be addressed in a respectful manner, and for communication to remain calm at all times. The policy under Part 3 will only be used on very rare occasions to deal with repetitious and/or vexatious complaints, or complaints pursued in an otherwise unreasonable manner.

- 1.14 Concerns or complaints should be brought to our attention as soon as possible. Any matter raised more than three months after the incident being complained of (or, where a series of associated incidents have occurred, within three calendar months of the last of these incidents) will not be considered unless the headteacher or DCEO / Director of Phase accept that there are exceptional circumstances to justify accepting the complaint out of time.
- 1.15 Where a complaint is received outside of term time, we will consider it to have been received on the first school day following the holiday period.
- 1.16 On rare occasions a school or the Trust may receive complaints from a number of individuals relating to the same issue. In order to deal with these complaints efficiently, the school/Trust will follow the policy set out in Part 4.
- 1.17 If it becomes necessary to alter the time limits and deadlines set out within this policy, you will be advised accordingly and given an explanation as to why this has been the case and provided with revised timescales. If other bodies are investigating aspects of the complaint, for example the police, local authority safeguarding teams, or tribunals/courts, this may impact on our ability to adhere to the timescales within this policy or result in the policy being suspended until those public bodies have completed their investigations. Where a complaint is raised but we do not have clarity from the complainant on the issues and/or desired outcomes, we will inform the complainant what information we need to progress the complaint and pause this policy until reasonable clarity is achieved.
- 1.18 Complainants should not approach individual governors or trustees to raise concerns or complaints. They have no power to act on an individual basis, and it may prevent them from considering complaints at later stages.
- 1.19 If a complainant commences legal action against the Trust in relation to their complaint, we will consider whether it would be appropriate to suspend the RLT Complaints Policy until those legal proceedings have concluded.
- 1.20 If a complainant wishes to withdraw their complaint, we will ask them to confirm this in writing.

Records of complaints

- 1.21 A record will be kept of all written formal complaints, including at what stage they were resolved, and action taken by us as a result of those complaints regardless of whether they were upheld. Correspondence, statements, and records relating to individual complaints will be kept confidential except where:
- Access is requested by the Secretary of State.
 - Disclosure is required in the course of a school inspection.
 - An individual has a legal right to access their own personal data contained within such documentation; or

- Under other legal authority.

1.22 We will make the findings and recommendations of the complaints committee available for inspection on the school premises by the Trust and the headteacher.

Part 1: Complaints policy for parents

Stage 1: Informal concerns

- 1.23 An informal concern can be raised in person, by email, or by telephone. Concerns may also be raised by a third party acting on behalf of a parent if they have appropriate authority to do so. Most enquiries and concerns can be dealt with satisfactorily by the class teacher/head of year or other members of staff without the need to resort to the formal policy. We value informal meetings and discussions and encourage parents to approach staff with any concerns they may have and aim to resolve all issues with open dialogue and mutual understanding.
- 1.24 It is always helpful if you can fully explain the nature of the concern and identify the outcome you are looking for. Where appropriate, you may be invited to an informal meeting with the member of staff most appropriate for dealing with that concern. The member of staff dealing with the concern will make sure that you are clear on what action (if any) has been agreed. This may be put in writing if appropriate.
- 1.25 If the matter is brought to the attention of the headteacher, they may decide to deal with your concerns directly at this stage. If the concerns are about the headteacher the DCEO / Director of Phase will be appointed to complete all the actions at Stage 2.
- 1.26 The school will respect the views of a parent who indicates that they would have difficulty discussing a concern with a particular member of staff. In this case, the headteacher will refer the parent to another designated member of staff.
- 1.27 There is no suggested timescale for resolution at this stage, given the importance of informal discussion, although it would be expected that most issues will be resolved within 15 school days. Where no satisfactory solution has been found, you will be advised that if you wish your concerns to be considered further you should write to the headteacher under Stage 2 of this policy within 15 school days.

Stage 2: Formal investigation of complaint

- 1.28 If your concerns are not resolved at Stage 1, you are entitled to submit a formal complaint in writing to the headteacher of the relevant school. Please use 'complaint' as the subject of your email or mark it clearly on your letter.
- 1.29 Your written complaint must clearly set out:
- The nature of the complaint;
 - The relevant facts, including dates, times, and any individuals involved;
 - Details of how the matter has been dealt with at Stage 1;
 - Copies of any relevant documents; and
 - The outcome you are seeking.

We strongly encourage use of the complaint form at Annex 1 to ensure all relevant information is provided.

- 1.30 Your complaint will normally be acknowledged within 5 school days of receipt. The acknowledgement will outline the investigation process and provide an indicative timescale for a written response (normally within 15 school days).
- 1.31 Stage 2 is a formal investigation of the complaint. The headteacher (or an appointed investigator who is independent of the school) will:
- Establish the full facts of the complaint;
 - Gather and consider relevant evidence, including documentation and witness accounts;
 - Determine whether the complaint is substantiated, partially substantiated, or not substantiated.
- 1.32 As part of the investigation:
- You may be invited to a meeting to clarify the complaint and desired outcomes;
 - Staff and, where appropriate, pupils may be interviewed and statements taken;
 - Relevant policies and procedures will be considered to assess whether appropriate actions were taken.
- 1.33 The investigation will focus on establishing what happened and reaching findings based on the balance of probabilities. It is not a review of earlier stages but a full and independent consideration of the complaint.
- 1.34 On conclusion of the investigation, you will receive a written response which will:
- Summarise the complaint and the investigation undertaken;
 - Set out the findings of fact;
 - Confirm the decision (upheld, partially upheld, or not upheld);
 - Provide reasons for the decision with reference to the evidence considered;
 - Outline any actions to be taken as a result of the complaint.

You will also be advised that if you are dissatisfied with the outcome, you may request a **review of the Stage 2 process and outcome** under Stage 3 of this policy.

- 1.35 A second complaint about the same issue will not be considered until the Stage 2 investigation has concluded.
- 1.36 Where the complaint relates to the Trust, a member of the central team, or a trustee, an alternative appropriate senior leader will be appointed to carry out the Stage 2 investigation.

Stage 3: Quality assurance of Stage 2 process and outcome

1.37 If your concerns are not resolved at Stage 2, you may request a review of how your complaint was considered at that stage by writing to the DCEO / Director of Phase. Please mark your correspondence clearly as 'complaint review' to ensure appropriate prioritisation.

1.38 At this stage, you should clearly outline:

- The aspects of the Stage 2 process or outcome that you believe were not handled appropriately;
- Any concerns regarding the fairness, thoroughness, or procedural compliance of the Stage 2 investigation; and
- The outcome you are seeking from this review.

This stage is not a further investigation of the complaint, but a review of the evidence considered and the process followed at Stage 2.

1.39 Your request will normally be acknowledged in writing within 5 school days of receipt, confirming the arrangements for the review and an anticipated timescale for response (normally within 15 school days).

1.40 The DCEO / Director of Phase (or an appropriately appointed reviewer) will:

- Review the documentation from Stage 2, including the original complaint, correspondence, notes of meetings, evidence gathered, and the Stage 2 outcome;
- Consider whether the Stage 2 process was conducted in line with this policy;
- Assess whether the conclusions reached were reasonable based on the evidence available.

1.41 The reviewer may, where necessary, seek clarification from relevant parties involved in Stage 2. This will not normally involve re-investigating the complaint or gathering new evidence unless there is a clear and justified reason to do so.

1.42 Following the review, you will receive a written response which will:

- Confirm whether the Stage 2 process was conducted appropriately;
- Set out whether the conclusions reached were reasonable based on the evidence;
- Identify any procedural irregularities or areas for improvement;
- Confirm whether the original decision is upheld, partially upheld, or requires reconsideration.

Where shortcomings in the Stage 2 process are identified, the Trust may:

- Uphold or amend the original outcome;
- Recommend further actions to address gaps in the process;
- In exceptional cases, direct that aspects of the complaint are reconsidered.

You will be advised that if you remain dissatisfied following this review, you may request that your complaint is referred to the complaints committee under Stage 4 of this policy.

Stage 4: Referral to the complaints committee

- 1.43 If you are dissatisfied with the decision under Stage 3, you may request that a complaints committee be convened to consider your complaint. The complaints committee will principally consider how the complaint was handled at the previous stages but has discretion to review other aspects of the complaint as it sees fit. The panel will ensure that the complaint has been handled in line with statutory requirements, fairness and proportionality. The complaints committee will not review any new complaints at this stage or consider evidence unrelated to the initial complaint. New complaints must be dealt with from Stage 1 of the policy.
- 1.44 To request a hearing before the complaints committee, you should write to the clerk at the school within 15 school days of receiving notice of the outcome of Stage 3. Requests received outside of this timeframe will only be considered if exceptional circumstances apply. You should ensure that you provide copies of all relevant documents and state all the grounds for your complaint and the outcome that you are looking for.
- 1.45 Your written request will be acknowledged within 5 school days of receipt.
- 1.46 The Clerk will arrange for a complaints committee to be convened, made up of at least three committee members, including:
- Governors of a local governing committee and/or trustees of the Trust (as appropriate) with no prior involvement in the matter; and,
 - One person who is independent of the management and running of the school (for example, this might be [governor] from another school within the Trust, a governor from another local school/college or an educational professional who has no link to the school).
- 1.47 The Clerk shall appoint one of these committee members to be the chair of the complaints committee.
- 1.48 Every effort will be made to enable the hearing to take place within 20 school days of the receipt of your request. As soon as reasonably practicable and in any event at least five school days before the hearing, you will be sent written notification of the date, time, and place of the hearing, together with brief details of the committee members who will be present. Fair consideration will be given to any bona fide objection to a particular member of the complaints committee. You will also be informed of the name of the person who will be presenting the case on behalf of the school/Trust (referred to in this policy as the 'school representative'). This may be the person who is the subject of the complaint, the person who undertook the investigation at Stage 3 and/or another person with sufficient knowledge of the matter.
- 1.49 If, despite best efforts, it is not possible to find a mutually convenient date and time for a hearing within a reasonable timeframe, the Clerk may determine that the hearing proceeds on the basis of written submissions from both parties.

1.50 You have the right to be accompanied to the hearing by a friend, relative or interpreter. You should notify the Clerk in advance if you intend to bring anyone to the hearing. We do not encourage either party to bring legal representatives to the complaints committee hearing. Representatives from the media are not permitted to attend. The complaints committee itself may take legal advice and/or be supported by a legal advisor at the hearing on matters of law and policy.

1.51 A copy of the complaint and any other documents provided by you in support of your complaint, or by the school representative in defence of the complaint, will be provided to the complaints committee as soon as practicable upon receipt. Copies of these documents shall also be provided to you or school representatives (as applicable) at least three school days before the hearing. The complaints committee reserves the right not to consider any documentation presented by either party less than three school days prior to the hearing. The complaints committee is under no obligation to hear oral evidence from those other than the parties (e.g. witnesses) but may do so and/or may take written statements into account. The complaints committee will not normally accept recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded.

1.52 The hearing will be conducted to ensure that each party has the opportunity to address the complaints committee. The policy to be followed during the hearing will be explained to the parties by letter in advance of the hearing. The Clerk will ensure that sufficient notes are taken to record an accurate reflection of the points considered and any decisions taken, or actions agreed. Electronic recordings of the hearing will not normally be permitted and, in any event, would require the consent of all those present.

1.53 Unless otherwise stated, the policy for the Stage 4 hearing is as follows:

- The parent and school representative will enter the hearing together.
- The chair of the complaints committee will introduce the committee members and outline the process.
- The parent will explain the complaint.
- The school representative and committee members will question the parent.
- The school representative will explain the school/Trust's actions.
- The parent and the committee members will question the school representative.
- The parent will sum up their complaint.
- The school representative will sum up the school/Trust's actions.
- The chair of the complaints committee will explain that both parties will hear from the committee within 5 school days.
- Both parties will leave together while the complaints committee decides.

- The Clerk, and any legal advisor assisting the complaints committee (if applicable), will stay to assist the complaints committee with its decision making.
- 1.54 The Clerk and/or complaints committee reserves the right to modify the above policy at their sole discretion, for example requiring the parent and the school representative to present their complaint/actions separately to the complaints committee in the absence of the other party.
- 1.55 If the complainant has not arrived by the start of the complaints committee, the Clerk will attempt to contact the complainant via telephone to ascertain if they are delayed, have chosen not to attend, or wish to withdraw their complaint. If the Clerk is unable to speak with the complainant, or if the complainant confirms that they have chosen not to attend, the hearing will proceed in the complainant's absence 30 minutes after the scheduled start time. Findings and recommendations will be based on the written submissions previously provided by both parties.
- 1.56 A complaints committee may be adjourned if the complaints committee require further evidence, or in exceptional circumstances (for example, if clarification sought by the complaints committee is essential to the proceedings). The adjourned date must be as soon as possible.
- 1.57 After the hearing, the complaints committee will consider their decision and inform you and, where relevant, the person complained about of their decision in writing within 5 school days. The letter will set out the decision of the complaints committee together with the reasons underpinning that decision. The complaints committee can (by a majority if necessary):
- Dismiss the complaint in whole or in part.
 - Uphold the complaint in whole or in part.
 - Decide on the appropriate action to be taken to resolve the complaint.
 - Recommend changes to the school or Trust systems or policies to ensure that problems of a similar nature do not happen again.

Stage 5: Referral of complaint to the Department for Education (DfE)

1.58 If you are dissatisfied with the decision of the complaints committee, you are entitled to refer your complaint to the Department for Education (DfE). The DfE will only investigate the complaint in limited circumstances.

1.59 For more information on the DfE's remit in relation to school complaints, visit: <https://www.gov.uk/government/publications/complain-about-an-academy/complain-about-an-academy>

Roles and responsibilities

1.60 The role of the Clerk

The Clerk is the contact point for the complainant and the complaints committee, and should:

- Ensure that the complainant is fully updated at each stage of the policy.
- Liaise with staff, headteacher, the Trust DCEO / Director of Phase. of a school and chair of the trustee board (as applicable) to ensure the smooth running of the RLT Complaints Policy.
- Be mindful of the timescales for responding to complaints.
- Ensure that all people involved in the complaints process are aware of their legal rights and duties, including any under legislation relating to school complaints, education law, the Equality Act 2010, the Freedom of Information Act 2000, the Data Protection Act (DPA) 2018 and the General Data Protection Regulations (GDPR).
- Ensure that the complaints committee has access to legal advice, where appropriate.
- Set the date, time, and venue of the hearing, taking reasonable steps to find a date that is convenient to all parties and that the venue and proceedings are accessible.
- Collate any written material relevant to the complaint (for example: Stage 1 paperwork, school and complainant submissions) and send it to the parties in advance of the hearing within an agreed timescale.
- Minute the hearing.
- Notify all parties of the complaints committee's decision.
- Assist the school/Trust in issuing a summary letter to the complainant.

1.61 The role of the headteacher (or other party investigating as applicable in accordance with the policy) at Stage 2

- To ensure that the complainant is fully updated throughout the Stage 2 policy.
- To ensure that the correct policy has been followed.
- To ensure that an investigation is carried out, and a report compiled.
- To meet the complainant, if appropriate.

1.62 The role of the DCEO / Director of Phase (or other party investigating as applicable in accordance with the policy) at Stage 3

- To ensure that the complainant is fully updated throughout the Stage 3 policy.
- To ensure that the correct policy has been followed.
- To ensure that an investigation is carried out, and a report compiled.
- To meet the complainant, if appropriate.
- If the complaint is being referred to Stage 4, notify the Clerk to arrange the complaints committee.

1.63 The role of the chair of the complaints committee

The chair of the complaints committee has a key role, ensuring that:

- The hearing is conducted in an informal manner, is not adversarial, and that, if all parties are invited to attend, everyone is treated with respect and courtesy.
- Complainants who may not be used to speaking at such a hearing are put at ease.
- The remit of the complaints committee is explained to the complainant;
- The written material is seen by everyone in attendance (provided it does not breach confidentiality or any individual's rights to privacy under the DPA 2018 or GDPR).
- Key findings of fact are made, and that any issues not previously mentioned in writing should not be raised at the hearing and, if they are mentioned at the hearing, these should not be noted or considered by the complaints committee.
- Both the complainant and the school/Trust are given the opportunity to make their case, and seek clarity, either through written submissions ahead of the hearing, or verbally in the hearing itself.
- The complaints committee is open-minded, acts independently, and no committee member has an external interest in the outcome, or any involvement in an earlier stage of the policy.
- The hearing is minuted.

Part 2: Repetitious and vexatious complaints and complaints pursued in an otherwise unreasonable manner

1.64 There are rare circumstances where we will deviate from the Complaints Policy set out in Parts 1 and 2. These include, but are not necessarily limited to:

1.65 **Repetitious, including serial and/or persistent, complaints**

Where the complainant's complaint is the same, similar to, or based on the same facts of a complaint which has already been considered in full and we have:

- Taken every reasonable step to address the complainant's concerns; and
- Given the complainant a clear statement of our position and their options.

We will write to the complainant to advise that the RLT Complaints Policy has been exhausted, and that we will not be responding to any further correspondence in relation to these matters. The complainant will be referred to Stage 4.

1.66 **Vexatious complaints**

The Office of the Independent Adjudicator defines the characteristics of a 'frivolous' or 'vexatious' complaint as:

- Complaints which are obsessive, persistent, harassing, prolific or repetitious.
- Insistence upon pursuing unmeritorious complaints and/or unrealistic outcomes beyond all reason.
- Insistence upon pursuing meritorious complaints in an unreasonable manner.
- Complaints which are designed to cause disruption or annoyance.
- Demands for redress that lack any serious purpose or value.
- Examples include but are not limited to:
 - Refusal to articulate their complaint or specify the grounds of a complaint or the outcomes sought by raising the complaint, despite offers of assistance.
 - Refusal to co-operate with the complaint's investigation process.
 - Refusal to accept that certain issues are not within the scope of the RLT Complaints Policy.
 - Insistence on the complaint being dealt with in ways which are incompatible with the complaint's policy or with good practice.
 - Introducing trivial or irrelevant information which they expect to be taken into account and commented on.

- Raising large numbers of detailed but unimportant questions, and insist they are fully answered, often immediately and to their own timescales.
- Making unjustified complaints about staff who are trying to deal with the issues and seeks to have them replaced.
- Changing the basis of the complaint as the investigation proceeds.
- Seeking an unrealistic outcome, such as the inappropriate dismissal of staff.
- Making excessive demands on school time by frequent, lengthy and complicated contact with staff regarding the complaint in person, in writing, by email and by telephone while the complaint is being dealt with.
- Knowingly providing falsified information.
- Publishing unacceptable information on social media or other public forums.

1.67 **Complaints pursued in an otherwise unreasonable manner**

Where the complainant's behaviour or language towards staff, governors, trustees or members is aggressive, abusive, offensive, discriminatory or threatening or insulting personal comments are made about, or threats are made towards, staff.

In the circumstances outlined in (2) and (3) above, we may:

- Inform the complainant that we consider their complaint to be vexatious or the manner in which they are pursuing their complaint to be unreasonable and why and ask them to desist.
- Conduct the complaints committee on the papers only, i.e. not hold a hearing.
- Refuse to consider the complaint any further and refer the complainant directly to Stage 5.

We may also restrict the complainant's access to the school, e.g. requesting contact in a particular form (for example, letters only), requiring contact to take place with a named person only, restricting telephone calls to specified days and times or number of contacts, or banning the complainant from the school's premises.

Where the complainant's behaviour is so extreme that it threatens the immediate safety and welfare of staff, governors, trustees, or members, we will consider other options, for example, reporting the matter to the police, or taking legal action. In such cases, we may not give the complainant prior warning of that action.

Part 3: Complaint campaigns

1.68 For the purposes of this policy, a complaint campaign is defined as a complaint from three or more separate individuals (whether or not connected with the school), which are all based on the same subject.

1.69 Depending on the subject in question, we may deviate from the policy set out in this policy and instead:

- Send a template response to all complainants; and/or

Publish a single response on the school's website (as applicable).
